# BALI LUX D2 extension

BALI LUX D2 wardrobe collection is our response to the newest trends in furniture design. The combination of lamellas and mirrors add a new dimension to any interior. White combined with oak add subtle and delicate touch while black and oak create that modern loft interior. The interior of the wardrobe is a twin solution to the already known BALI wardrobe collection. An extension provides that little extra space without affecting the overall look.

In the picture: frame -white; front - lamella, white, mirror. Hinged door.
