GENUA 210

NEW

GENUA 210 wardrobe immediately catches your attention with unexpected and unique design. Long handles create a modern and rather futuristic look. The wardrobe is available in two colour options. White fronts and silver handles are a safe choice that shall last for years. The inside is spacious with two shelves in the upper part and hanging rails in the middle of the wardrobe. This piece of furniture shall look interesting in the bedroom or big hallway.

In the picture: frame - white; front - white. Hinged door.
