GENUA 255

GENUA 255 wardrobe immediately catches your attention with unexpected and unique design. Long handles create a modern and rather futuristic look. The wardrobe is available in two colour options. The dark body and bottle green fronts combined with black handles match the latest trends in interior design and are perfect for those who seek character and outstanding pieces of furniture. The inside is spacious with two shelves in the upper part and hanging rails in the middle of the wardrobe. This piece of furniture shall look interesting in the bedroom or hallway.

In the picture: frame - black; front - bottle green. Hinged door.
