LIZBONA II 250

Elegant

The LIZBONA II collection consists of two models of wardrobes distinguished by width and mirror position. LIZBONA II 250 has three sliding doors. The mirror is placed in the middle and partially on the sides of both neighboring front panels. This unique design creates an interesting visual effect, which makes the wardrobe a perfect center piece of any interior.

In the picture: frame - Sonoma oak; front - Sonoma oak, mirror. Aluminium slides, lower carriages on bearings.
