# SEWILLA 203

SEWILLA line is an example of wardrobes with no mirrors on the fronts. Instead we have an interesting combination of colour and graphics - one of the fronts is in lava colour, while on the second one dark lines intersect the Sonoma oak surface, dividing it into six equal elements. SEWILLA 203 is the smaller model in this line.

In the picture: frame - Sonoma oak; front - Sonoma oak, lava. Aluminium slides, lower carriages on bearings.

- highest quality
- functional inside
