

TUNIS 200

The TUNIS 200 wardrobe surprises with its design. A vertical stripe between the glossy front and mirror clearly divides the surface into the right and left side. A huge mirror - an important functional element of the wardrobe - with a decorative insert of three horizontal stripes gives the whole piece of furniture a dynamic look.

In the picture: frame - graphite; front - graphite, white high-gloss, mirror. Sliding doors on HÄFELE fittings.
